INTRODUCTION OF
A NEW LANGUAGE

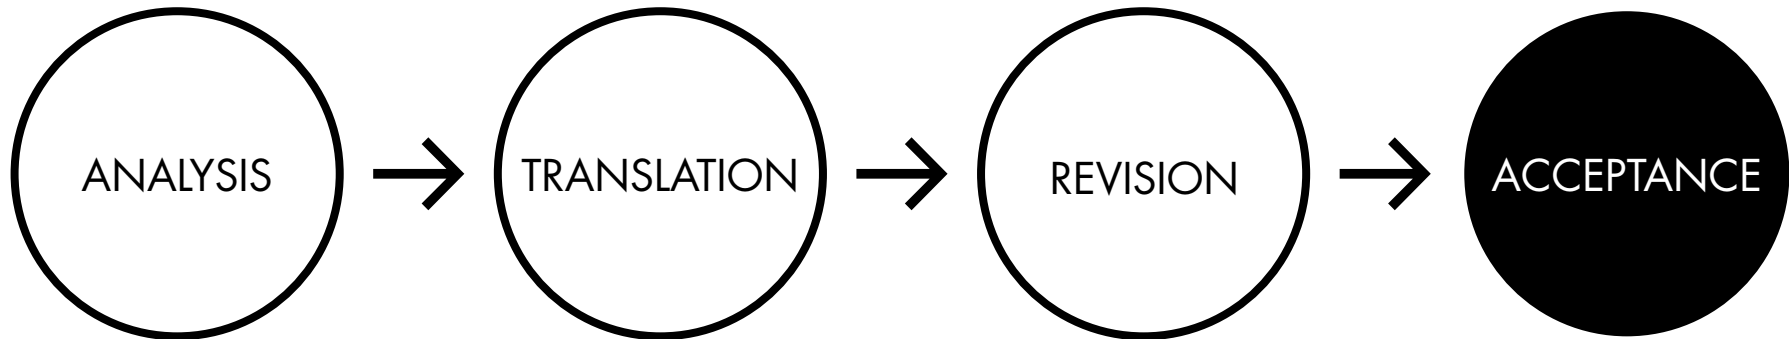

We look for the best specialists, always **LINGUISTS**

OUR WORK SYSTEM

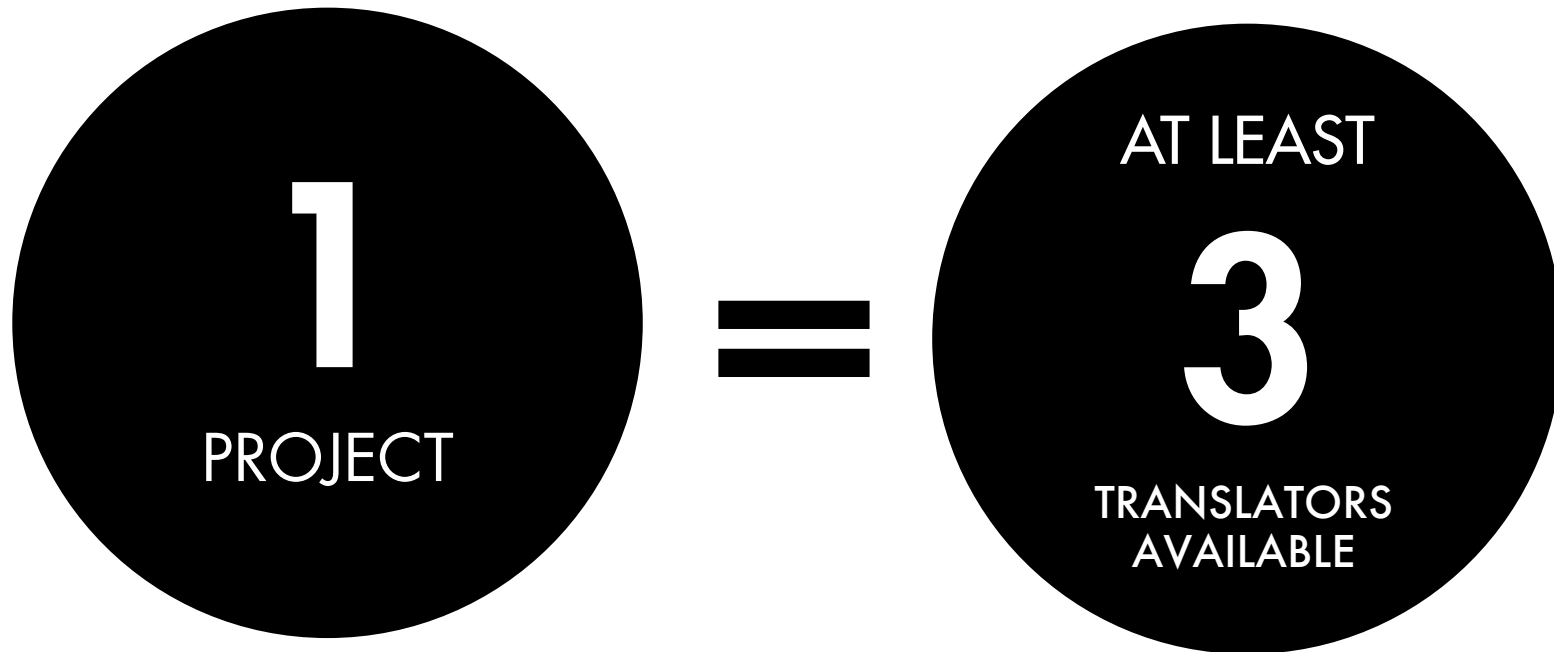

1 We receive the text to be translated

2 We submit an estimation

3 Once the estimation is accepted, we get down to work

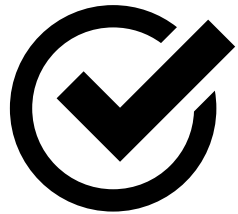

BECAUSE WE ANTICIPATE AND PREVENT
THE UNEXPECTED...

BECAUSE WE WORK AND MAKE
DECISIONS AS A TEAM...

WE **NEVER** SUBMIT A TRANSLATION WITHOUT BEING REVISED

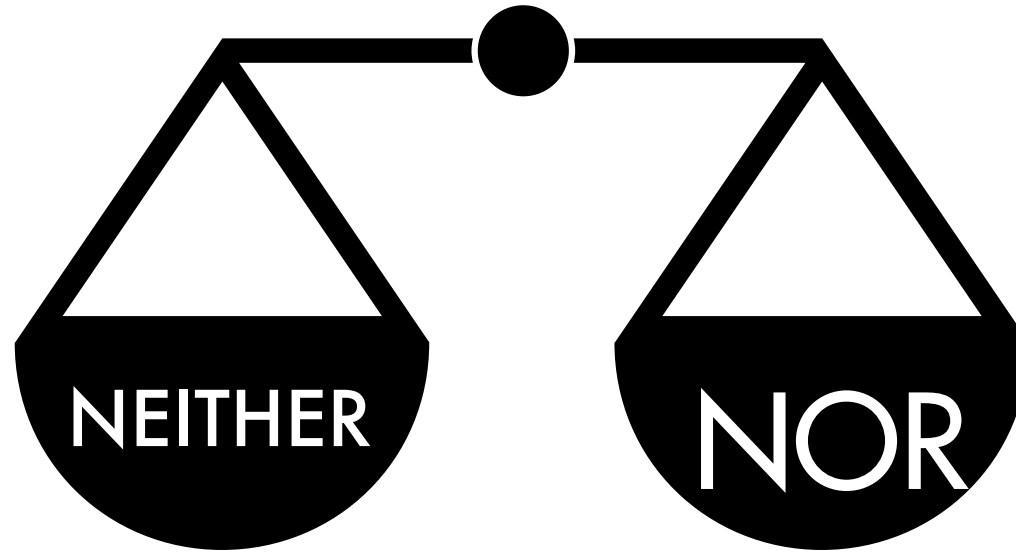

By the same translator
By another linguist or
By the project manager
